Subject: Acknowledgment for Hosting the Orientation

I hope this letter finds you in good health and high spirits. I am writing to express my heartfelt gratitude for giving us the opportunity to conduct the orientation at Bhauasaheb Mulak College of Physiotherapy on 04/07/2023. The support and cooperation extended by your esteemed institution have been instrumental in laying the foundation for the Young India Unchained Campaign in Nagpur.

We are thrilled to be collaborating with Bhauasaheb Mulak College of Physiotherapy in our mission to create a safer environment for young girls and women in our beloved city. The statistics on crimes against women, as reported by the National Crime Records Bureau, highlight the urgent need for collective action. We firmly believe that the responsibility to address this issue lies with each one of us, and through the Young India Unchained Campaign, we aim to empower the youth to become advocates for change.

The orientation session served as a platform to communicate our vision of building responsible cadres of youth volunteers who will actively raise their voices against heinous crimes such as human trafficking and violence against women and children. Your college played a pivotal role in directly connecting us with over 60 enthusiastic and responsible youth, which is a significant step towards achieving our goal.

With your continued support and enthusiasm, we are confident that we can establish an Anti-Human Trafficking Club within your campus. The active involvement of the college authorities is crucial in making our vision of a safer Nagpur a reality.

Once again, we extend our sincerest thanks to Bhauasaheb Mulak College of Physiotherapy for hosting the orientation session and for your commitment to the cause. We look forward to working closely with you and the students in creating a collective force for change.

Thank you for your time and consideration.
